Prince Albert's a new note in the joys of rolling 'em!

Talking about rolling your own cigarettes, we'll tell you right here that Prince Albert tobacco has 'em all lashed to the mast! You've got a handful of happiness coming your direction when you pal it with P. A. and the makin' papers! For Prince Albert is not only delightful to your taste and pleasing to its refreshing aroma, but our exclusive patented process frees it from bite and parch!

And, for a fact, rolling up Prince Albert is mighty easy! P. A. is crimp cut and stays put and you whisk it into shape before you can count three! And, the next instant you're puffing away to beat the band!

Prince Albert is so good that it has led four men to smoke jimmy pipes where one was smoked before! It's the greatest old buddy-smoke that ever found its way into a pipe or cigarette!
